

April 2017 Computer Classes @ the Waterloo Public Library

Please note that ALL events require registration, which can be accomplished by signing up online, by calling 291-4476 or by stopping at a second floor library desk. Unless otherwise noted, all classes will take place in the library's training center on the second floor.

Computer Basics

Just getting started with technology? This course is designed especially for adults who are "newbies." It provides a solid introduction to computers and will help prepare you for the more advanced courses you will find at the Waterloo Public Library.

Duration: 90 minutes

Tuesday, April 11 Wednesday, April 19
1:00 p.m. 10:00 a.m.

Android Tablet Basics

There are still plenty of people who don't know what Android is; if you fit into this category then it's your lucky day! This is an introductory class to using Android technology. We'll cover how to access email, and the web, take photos, access apps from the Google Play and more. Please bring your own Android smartphone or tablet to class. ***Duration: 90 minutes***

Thursday, April 13
6:00 p.m.

Win with Zinio Magazines

Waterloo Public Library subscribes to Zinio, a database that house 58 magazine titles, that you can read on your phone, tablet, desk or laptop or I-Pad! Join us as we teach how to download magazines to your device and learn how to win a cool prize!

Duration: 90 minutes

Tuesday, April 4 Saturday, April 15 Monday, April 24
10:00 a.m. 10:00 a.m. 6:00 p.m.

iPad Basics

This class will cover the basics of navigating and getting comfortable with an iPad. We'll go over how to create an Apple ID, access email and the web, take photos, and access apps. Please bring your own iPad to class. ***Duration: 90 minutes***

Tuesday, April 18

6:00 p.m.
